“...The standard was so high the guests said they felt they were at a concert and should have bought tickets! I have no doubt you will go from strength to strength as the service was second to none and performances streets ahead of anything we’ve ever heard...”

Aoife & Jim. October 2008

“...The Jazz Trio was fantastic, the pianist did a wonderful job during dinner and I think your Concert stole the show. All 3 performances far exceeded our expectations and totally enhanced everyone’s enjoyment of the day. I could go on and on... but it would boil down to the same thing - PERFECTION...”

Mary & Nick. October 2008

The guests are still talking about it and said they never heard church music as good... thank you from the bottom of our hearts...”
